## **ANNOUNCEMENT**

MRW Group is pleased to announce that we have joined AssuredPartners, Inc., the 13th largest independent insurance brokerage firm in the nation. As a partner agency with AssuredPartners, we will have access to expanded resources and carrier relationships to help us further our mission of providing you with the best services and insurance solutions.

It's the best of both worlds for you, our client: small company personal service with big company resources.

Our name has changed to MRW Insurance Services, a division of Assured SKCG, Inc., although, our same wonderful staff is right here in our local Hauppauge office ready to assist you with all your insurance needs.

We are excited about our merger and the opportunities it offers to our employees, and to you our client.

Please contact us with your questions or concerns! We welcome your calls and emails and look forward to serving you.
